

Become A Crawford SWCD Affiliate Member

Are you passionate about conserving our local agriculture and natural resources? Do you wish you could be more active in promoting the conservation of our natural resources in Crawford County? Becoming an affiliate member of the Crawford SWCD can provide that opportunity. The funds from our affiliate members stay right here in Crawford County and are used to educate residents on agricultural and natural resources conservation. Affiliate memberships provide funding support for a variety of conservation related events and activities of the district throughout the year. Programs like the pond clinic, forestry clinic, conservation field days, nutrient workshops, pasture tours, livestock live program and leadership tours are just a few of the ways that affiliate members provide support to conservation education in the county. Our affiliate members are honored each year at the SWCD Annual Meeting and Banquet where we highlight district activities. If you are a current member, we thank you for your continued support, if you are not a member, we hope that you will consider becoming a member by filling out the form below.

Thank You!

-----cut line-----
