

Vacancy Announcement

The Manure Nutrient Management (MNM) program of Crawford, Seneca, Wyandot and Sandusky counties is hiring a part-time (24 hours/week) position. The position will work with the current Specialist position to provide support to livestock producers and each county's SWCD staff in managing and planning the responsible use of nutrients. This position will report for work at the Seneca Conservation District (Tiffin, OH) and will be required to travel from time to time throughout the four-county region.

Attention to detail, excellent organizational skills, professional and authentic written, verbal and interpersonal communication skills are also necessary. The ideal candidate will have a background in production agriculture.

Salary range is \$11-15/hour. Paid sick leave, vacation and enrollment in the Ohio Public Retirement System are just a few of the additional benefits for the person hired for position. Flexible work hours and a team atmosphere are also advantages for this position.

Interested applicants should submit a resume, three references and a cover letter explaining why you want to be considered for the position by 4:30pm on August 10, 2018. All materials should be emailed to bdiesch@conservesenecacounty.com or 3140 S SR 100, Ste D, Tiffin, OH 44883.

Questions about the vacancy can be directed to your local Soil and Water office, or Beth Diesch (419)447-7073 or bdiesch@conservesenecacounty.com.
